

# AMS2000 PROGRAM MANUAL

## A5410 \* OPEN TO SELL INQUIRY

This screen allows the user to view all colors of a style, showing Descr-2, Size-scale-code, Division, Status, Std-price and Next-date-available from Stylemaster.

INV (on-hand inventory), A-WIP, B-WIP, C-WIP (Cuts status A,B & C), ORDERS (open) and OTS (inv+wip-orders)

Program will show yield (Base Fabric XREF) next & to Style and Yards (Total Units Ordered X Yield) Total.

Program will show style and size scale after the yield field.

Program will show Garment Group after the category (CT) field.

Database: AMS2

Datasets: Styles, Wip, Orders

Run Instructions:

Run A5410.PUB.AMS2000

Enter Style number or /HH to change house (if you have multiple groups)

Press return, all colors of the style will be displayed ( 16 colors per page )

If more than 1 page, user will be prompted to enter page number>

(The screen will display number of pages)

F3 key = next page

F2 key = previous page

F5 key = print LP

If you wish to print the screen on another device, press F5 again and the screen will display:

Type in new printer number and press return >

The screen will display "Report is printed" and the F5 key will show the printer device that was selected.

F6 key = this key will ask for next available date. The program will start with "All" the user must enter a style to see all the colors. If user hit the return key the program will pickup only the records with date =0 or spaces. The style is not required. If user enters a date the program will pickup only the records with the date selected. The style is not required.

F7 key =was used to create a pop-up window showing the open to sell by size for the colors reported.

Press F8 to exit from the print function and user will be prompted for another style.

F8 will exit from the program.
