

# **S I S I \* AMS2 USER MANUAL \* INTERIM RELEASE 10.0**

## **A8001 \* INVOICE INQUIRY AND REPRINT**

This program allows users to inquire on or reprint invoices and displays as they are actually printed with any freight charge, etc.

Execution Option 85 must be on. Only invoices created after this will be able to be accessed.

AMS2, AMSAUX data bases; INV-MAST, INV-DET data sets

Files: P842, M8001

### **OPTIONS**

269 Shift invoices left  
382 Shift lines for HP2608 printer  
1645 Invoice number 1-line down (8 size houses)

### **RUN INSTRUCTIONS**

**Run A8001.PUB.AMS2 or A A8001**

The screen will prompt

P'rint or D'isplay: or '/' to stop

Enter house no: or '/' to stop.

The invoice will display on the screen if 'D' is selected.

Press return to continue.

If 'P' is selected the invoice will be in the spoolfile as M8001 and can be printed on your invoice form as required.
